

Industrial Finishing Starts Here

Vani Industrial Innovations brings precision abrasives and surface solutions to India's top fabricators, metalworkers, and manufacturers. With a firm belief in finish-first thinking, we collaborate with best-in-class brands to deliver abrasives that enhance productivity, safety, and product quality.

We don't just sell abrasives — we support efficiency and repeatability in every grinding, sanding, and polishing process.

Vani Klingspor Trusted for Surface Excellence

Vani is proud to represent Klingspor, one of the world's most respected names in abrasive technologies. German-engineered and globally proven, Klingspor products are designed for consistency, long tool life, and excellent material removal across every grit and tool type.

Through training, product selection, and after-sales service, Vani ensures Indian industries unlock the full value of Klingspor abrasives — from steel workshops to aerospace lines.
